District 14 Conditions of Contest (CoC) Supplement to the ACBL CoC

District 14 follows the ACBL Conditions of Contest (COC) for the North American Pairs as established by the ACBL, plus this Supplement. This is the link to the ACBL CoC: <http://web2.acbl.org/documentlibrary/play/NAP/CoC.pdf>.

Qualification

In order to play in the District 14 NAP Final, players must be members of District 14 and have qualified for their masterpoint flight or a higher flight in a NAP Club Qualifying F2F or online game. To play in the NAP District Final, you do not have to play with the same partner you qualified with.

Flight masterpoints are determined as of the June masterpoint cycle run by ACBL Data Processing on May 6, 2024. Any points won but not included in this cycle do not affect masterpoint eligibility.

Flight A is open to all Players regardless of masterpoint holding.

Flight B is open to Players with fewer than 2,500 masterpoints.

Flight C is open to Players who are Non-Life Masters with fewer than 500 masterpoints.

Qualification at the Club level occurs during the three months of June, July and August. NAP qualifying games may be held F2F or on line. (Online games must be played the weeks of June 3-9, July 1-7, and August 5-11).

To participate in the District finals in any Flight, players must have qualified at the Club level (in F2F and/or virtual games) for their Flight or a higher Flight.

Unit Finals are not required in District 14 but may be held with the permission of the District NAP Coordinator.
